Booking Terms and Conditions

1. If you wish to recover reimbursement of the booking deposit and the cost of the training and the jump, you must raise a minimum sponsorship of £395 and complete your jump. It is recommended that you raise sponsorship using a JustGiving Page - a simple link will be sent to you once you have paid your booking deposit.
2. The cost for the training and the jump will be taken from the sponsorship money raised on your JustGiving Page unless Leukaemia Busters is instructed differently and paid to GoSkydive 2 weeks prior to your jump date. This payment is totally non-refundable to Leukaemia Busters even if you do not jump for any reason so any cancellation or changes after your booking must be notified to Leukaemia Busters a minimum of 2 weeks prior to your jump date by telephone on 023 8077 5590 or by email to contact@leukaemiabusters.org.uk. Failure to do this will result in the charity losing money.
3. A fee of £30 will be charged for all cancellations or changes of jump date made by you less than 7 days before the jump date. This is in addition to the booking deposit and is not in any way deductible from any sponsorship money raised for the charity.
4. All booking deposits are completely non-refundable. However, should you be unable to complete your jump due to inclement weather, the booking deposit is valid for twelve months from a date 8 weeks prior to your original jump date and it will be up to you to re-book with GoSkydive (01722 568364) and return to their parachute centre on another occasion(s) if necessary to complete your jump.

Medical Restrictions

For a tandem skydive you must be at least 16 years old and must weigh under 15 stone with your weight in proportion to your height. The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. You will be required to sign a BPA medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request. **It is ESSENTIAL that you bring this completed form countersigned by a parent or guardian for those under 18 or by your doctor for those aged over 40 or with a listed medical condition with you on the day of your jump or you will not be allowed to jump.**

Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £2 million for liability to Third Parties. Please note that this does not cover you or your dependants for personal injury including death. You are therefore strongly recommended to take out your own insurance cover for personal accident benefits to whatever level you consider appropriate.

IMPORTANT NOTICE

You have been booked a specific time slot and must be at the Airfield in plenty of time to start your training and administration at that time. If you arrive later than the allocated time you may not be able to jump on that day. Your jump will then take place in a jumping order after training has finished but is weather dependant and may involve staying at the Airfield until the conditions are suitable. Please be prepared to stay at the Airfield until the end of daylight.

Parachuting is an adventure sport and participation in such sports necessarily involves a risk of injury or death regardless of the standard of training, supervision and equipment employed. I voluntarily accept all the risks inherent in the sport and I agree for myself and my personal representatives to indemnify and hold harmless Leukaemia Busters and GoSkydive against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).
